Paid Volunteer

Description

Earn as much as USD 150 if you live in Davao City or Tagum City!

We're looking for participants who will allow us to film their homes for the development of a virtual reality app. The developer, TransPerfect, assures that all information under this Housing Image Data Collection Project will be kept confidential.

Qualifications

Qualification: At least 18 years old with proof of residency in Davao City or Tagum City

Filming time: 2 or 4 hours (date, time, and duration to be finalized based on initial assessment)

Payment: USD 75 for 2 hours or USD 150 for 4 hours

How to apply:

1. Fill out this [form](#) to express your intent to participate, and provide the following details.
 1. Full name
 2. Mobile number
 3. Complete address
 4. Proof of residency
 5. A short description of your house (e.g., (studio unit, villa, compound, single-story/two-floor house, etc.)
2. Wait for confirmation from our end.
3. Fill out the application link we will provide.

For any questions, please email datacollection@lexcode.com. Thank you!
